The CT-1

is the premier rear available for closed tube applications. The CT-1 is the latest product available from BullDog Rears. Since 2004, BullDog has become the "Choice of Champions" in the sprint car market.

Join Billy Decker, Tim McCreadie, Tim Fuller, Pete Bicknell, Don O'Neal and more who have made the switch to Bulldog for the 2010 season.

What our competitors call options - we call standard equipment. From high quality castings, bearings and seals to the most user friendly rear available, BullDog is your choice for reliability and performance. The CT-1 is available in 4.86 or 4.12 ratios and with six or eight rib side bells. Get a CT-1 today to see why they are "The Choice of Champions!"
