Return White Copy With Payment • Keep Yellow Copy For Your Records

GENERAL CONDITIONS

A separate outlet must be ordered for each piece of equipment to be connected that draws 1200 or more watts. This does not apply to light bulbs. The customer will be held responsible for full payment of charges after installation regardless of usage.

The electrical general foreman is obligated to refuse connections where wiring is not in accordance with the board of fire underwriters.

AMERICAN EXPO CORP. cannot be responsible for any damage to a customer's equipment because of fluctuating voltages in the convention area. Service will be supplied to equipment in the most convenient manner. Each outlet supplied has a standard three-pronged receptacle; it shall be the responsibility of the exhibitor to supply any adapters which may be necessary. Each motor of 3 HP or more must be equipped with a fusible switch.
